Premier Online Art Education and Teaching

Welcome to your course!

Joining the Art School Community

The Character Art School Community allows you to join feedback rooms, drag and drop your work for discussion, and chat to others easily, for any courses you are enrolled in.

To join the community, go here: https://discord.gg/EscqMdvf9K

Our community on Discord features chat, forums, WIP posting areas, competitions, live streaming sessions, workshops, voice chat rooms, and off topic areas as well.

The community can be used in your web browser, PC, or on your tablet or phone via the Discord mobile app.

Moving Through the Course and Assignments

Students are encouraged to first watch the entire course through first and take notes, and then then re-watch the course and engage in the assignments.

All lessons and assignments should be completed.

All assignments for each course are listed in the Assignments Document at the end of each module.

You are encouraged to post and share your work in the Character Art School Community for critique and feedback from your peers.

If you have any questions or queries, please don't hesitate to contact: help@characterartschool.com

Enjoy the Course!
